

EXTRA WINDOW FOR GETTING THE RAIN TYRES ON SATURDAY

March, 2023

Dear teams and drivers,

As you probably know by now, we use a voucher system for the rain tyres from the beginning of the 2023 season.

These tyres can be picked up during certain foreseen time windows only.

Because this information was not clear for everybody, we schedule an extra moment to pick up the rain tyres on Saturday between 12:00 – 12:30.

Kind regards,

Esmée Rosman
